Governor's Office of Highway Safety Awards the Law enforcement Technology Grant To *The Sky Valley Police Department*

The Sky Valley police Department is pleased to announce it has received a \$9,000.00 Grant from the Governor's Office of Highway Safety (GOHS). The grant, which will continue through September of 2024, will help finance Computers for the patrol vehicles.

"The loss of one life on our roads is one too many, and the fact almost all fatal traffic crashes can be prevented is one reason why we are awarding this grant," Allen Poole, Director of the Governor's Office of Highway Safety said. "The target of zero traffic deaths in our nation is achievable, and we will continue to help develop and implement educational messages, enforcement campaigns, and other safety initiatives aimed at bringing us one step closer to our goal."

The Sky Valley Police Department is thankful to receive this grant. The grant will allow us to purchase equipment that we need for daily operations.

The Sky Valley Police Department continues its mission to become a well-equipped professional department that our citizens can be proud of.
