#### Description Info

The City of Sky Valley, GA requests “Statements of Qualifications” (SOQ’s) from professional engineering design firms to provide preliminary engineering, surveying, design, permitting, bidding and construction phase services for the City’s upcoming sewer system program. The program will include planning, permitting, and construction of a sanitary sewer system.

The required format and details for submitting the SOQ may be obtained at the City website at [www.skyvalleyga.com](http://www.skyvalleyga.com). The SOQ response must be sealed, delivered and received by the City and marked SOQ 2024-01 on the outside of the envelope. The SOQs will be received by the City of Sky Valley, GA at the City Hall located at 3608 HWY 246, Sky Valley, GA 30537 until 3:00 P.M. EST on Monday, June 10, 2024. Any proposal received after that time and date shall not be considered. Only post mailed or hand delivered SOQ proposal’s shall be accepted. Digital SOP copies may be requested by the City *in support* of a submitted hard copy version, however- NO emailed SOQ proposal’s shall be accepted.
