Re: Resignation

Mayor Steil,

Please accept this letter of resignation from the Sky Valley Police Department effective February 7th, 2025. While I have thoroughly enjoyed my time here in Sky Valley, and have been welcomed by so many community members, economically this decision is what is best for my family and our future. I will forever be grateful for this opportunity and believe that Sky Valley Police Department has the potential to go from a great to world-class police department.

Thanks, Tim
